

Name: \_\_\_\_\_

## Make a graph of your *Census at School* data Tally chart and bar graph

Choose one question from the *Census at School* survey. Make a tally chart and bar graph of the results from your class dataset.

**1. Question:** \_\_\_\_\_

---

### 2. Tally Chart

Answers from the survey	Tally marks	Total (frequency)

### 3. Bar Graph

On graph paper, make a bar graph using the information from the tally chart above.

- Include: Title of graph
- Labels on each axis
- Scale
- Colour your graph
